"No more electronic waste dumped into our Landfills"

STOP

We want people to realize their impact on the environment, whether buying a new computer or disposing of an old cell phone. To help make this change happen, **AE COMPUTERS, LTD** relies heavily on voluntary partnerships to promote and encorage the reuse and recycling of used electronic products.

Positive economic rewards and environmental results are moving our partners toward more waste reduction and materials management.

By committing ourselves to reduce more waste, to reuse and recycle more materials, to buy more recycled and recyclable products, and to reduce toxic chemicals in electronic products and waste, we conserve energy and preserve natural resources.

Please give one of our knowledgeable Customer Representatives a call today to find out how
AE COMPUTERS, LTD can work with you to benefit your company and our environment.

RECYCLE

Working with **AE COMPUTERS, LTD** will allow your company to enjoy the venefits of new technological equipment, while reducing the impact these upgrades can have on our environment.
Through **AE COMPUTERS, LTD**'s community service, donation and resale programs, we will provide you with the highest quality electronic recycling program for your business, school, or home.

The main goal of **AE COMPUTERS, LTD** Asset Recovery is not only to reclaim or reuse your old electronic equipment, but to educate, and change the way Americans think about waste; to see the value of a used material as a product or commodity, not a waste.
